TITLE TBA

Note from the organizing committee: No, you couldn't possibly equal the brilliance of the papers given at previous MILCs™, but we will still accept your lowly attempt at an abstract.

WARNING! THIS IS REALLY A PARTY. DUH! ANY SIMILARITY TO A “CONFERENCE,” “WORKSHOP,” “SYMPOSIUM,” OR OTHER EVENT WITH ANY PROFESSIONAL OR OTHER SOCIAL VALUE IS, AND WE BEG YOU TO TRUST US ON THIS, PURELY ACCIDENTAL. The deal is, this is a party with linguists (and selected honorary “linguists for/of the evening”). We don't really read papers, bring handouts, etc. The idea is to write a funny abstract, which we'll then print in the “program”, which of course is also utterly fake. Some of those listed in the program, like God, Noam Chomsky, The Marquis de Sade, former Governor Thompson, Lenny Bloomfield, Greg Iverson, Ted Kazinsky, UW Barbie, and “President” Bush may not even come. Go figure.

Please expect some delays due to extra security.
